Looking to rent a place to sleep in Jackson for 5 nights, Aug 12 - 16. I am taking a hiking and reflection break in between living in Chicago and Los Angeles. Simply need a place to crash - will be out of the house all day. Needs are simple, just a bed, couch, or even a soft spot on the floor for a sleeping bag haha. It's this or the hostel. Very responsible 34yo male, professional, intelligent, used to sharing spaces, etc, so you would find me very easy to deal with. I just need a crash pad for these 5 nights. If you might be willing to share a space with me please let me!
