Best care is mommy, I'm mommy too!

Do you have to come back to work soon so are you looking for a responsible, reliable and loving babysitter with a great experience with new born and little babies? Hi, i am Gloria. I'm 29 years old, married and I have my own nine month old baby. I love children, I am patient, mature, responsible, reliable and a trustworthy person. I also speak Spanish so I could start teaching Spanish to your child if you want! I live with my baby and husband in a clean and organized house. It is a safe place to watch your children. I don't have any pets or visitors coming in or out and this is a non-smoking household. I moved here from Colombia South America 3 years ago, i came to this country through AuPairCare agency and I am a permanent resident here.

I was a nurse in Colombia and I have seven years experience working in the maternity ward of a major hospital. I also have first aid training. Before I had my baby, I was working as a full time nanny / caregiver for two young children. I will provide references upon request.

I can offer general responsibilities including;

- * Feeding the baby or child. (You have to bring the baby's food or snacks)
- *Changing diapers . (You have to bring the baby's bag with everything the baby needs to use.)
- *Putting the baby down for naps.
- *Interacting with the infant including: Reading in English and Spanish, playtime, tummy time and whatever else you need for your little one!
- *Stimulating, nurturing and safe environment for your child.
- *Parent's night out.

This is NOT a daycare! I am not going to be taking care of multiple children! I would love to watch one newborn or little baby so, i will only be taking care of one baby plus my baby that is all. My husband works 6 days a week and I need to be with my child at home - I am just looking to supplement our income by working from home.
