Beautiful cat in need of a new loving home. He is loving, purrs & adores attention. He is far from a lap cat. He jumps up on desks etc to get attention. This sweet cat needs to find a new home. He is not fond of small children. His preference is to be around calm adults. He has learned how to tolerate elementary school aged children who don't run & yell. He is fixed, up to date on all shots, in good health and around 14 years old. The new owner can have the pet carrier and food bowl. Rehoming fee of \$30 to be directly donated to the SPCA (through online donation).

Please consider giving him a home. He is lonely since his mate has
