

# Husky 33Gallon tank (30 USD)

Location **Arizona**  
<https://www.genclassifieds.com/x-628665-z>

This is a NON-working compressor. The tank and regulators are still good but will need a new motor. This is brand new never been used. Fell off the truck and destroyed the motor and wheel bracket. This is still usable and can be used as a reserve tank. Pictures show all the details. Call or text if interested.
