1996 Toyota Tacoma EXD CAB (2000 USD)

Location **Arizona** https://www.genclassifieds.com/x-628674-z

This is a 1996 Toyota Tacoma extended cab tuck with 140000miles. I have a clean a clear AZ title. This truck was stolen ,striped and dump in Mesa. Got it back for the impound the next night without wheels and various parts. Selling it because I dont have the time to try and piece it all back together. Could be a great project for someone or a parts tuck for your current Toyota. Truck does not run missing various parts and is sold in as is condition. Still has a good Motor, Transmission, chassis, tire and rims worth at least \$1800. Open to offers, will not waste my time with low ball offers Iam NOT IN A RUSH TO SELL Call or text.
