Exceptionally beautiful female models wanted who want to break into modeling and need a great professional photographer to build their portfolio with. I am highly experienced photographer who has worked with many new, inexperienced models. I include models in the creative process so ideas and concepts are welcome to build the kind of portfolio you want. Nudity is not required.

There are also future opportunities for select models to become represented.

Model requirements:

18-24 years old

5'6" or taller or HWP

Very beautiful

Serious about getting into modeling
