Grandmas Daycare is now accepting new children from ages 3 to 10 years old.

Responsible, experienced care at a cost you can afford. Most of my children have been with me for over 3 years. Many have only had one childcare provider in their life. Some are now starting kindergarten. This is a very stable and loving environment.

The children enjoy playtime and regular snacks. Once old enough, we start teaching colors and numbers in a very fun way. Creative projects to encourage and motivate learning. For the school age children, homework is normally completed before pickup time.

Space is limited and short term care is possible. We are flexible with schedules, times and days. Some parents only need child care 2-3 days a week, while others need a full 5 days a week. **SUBSTANTIAL DISCOUNTS FOR THE SECOND AND THIRD CHILD!**

Walking distance to Porter School (located on Lindsay, just South of Southern). **THERE ARE NO STREETS TO CROSS** to school and there are other children attending Porter School, so your child will **NOT** walk alone.

There are no pets, no pool and no smoking in my home.
