Amazing original band with catchy songs - seeks two sexy female vocalist, a second Guitarist & a Sax or horn player of some type! We are super chill with our very own vibe. The songs are written by Chango who's style is a bit on the hippy, jazzy, funky side! The lyrics are quirky, sometimes a tad bit sexual & sarcastic ha! Our core unit is Chango on rhythm guitar & main vocals, Chris on Bass and Rickness on drums! "I NEED YOU TO COMPLETE THE PICTURE"! We have an amazing studio available to record as soon as we are ready! We played a few "TEASER" shows at CASA SUNBA and the response was really encouraging!!! Some said we sound : SO CAL / with a mix of WEEZER / SUBLIME / RADIOHEAD / Beatles & Band of Horses? I LOVE all these timeless bands so cool!!! By adding the FEMALE ELEMENT, it should really set us apart & give us even more originality to boast about!!! Sorry about the novel here but i really want the right people to see this, get super stoked & hit me up!!!!

I happen to be a Fashion, Runway & Nightclub photographer which means i have lots of connections for amazing gigs & networking sht. Our last show had 85 friends show up all under 27 years old too!!!!

Your age or professional music background or lack there of does not matter to me in the least bit! If you have a passion to explore your love of music & get into the scene then HOLLA!!!! If we are a good fit, dats all that fuckin matters.
