Champ and his brother Champion were found living under a car in a town just south of us. Champ had a collar that he had out grown and had started to cut into his neck. The bothers were almost starved when they were picked up and were in poor health. They had lost a lot of their coat because of a flea infestation. We got them fed, healed up, neutered, current on their shots, and microchipped. They are ready for their new home! They still have to regrow some of their hair but that will come with time but that doesn't stop them from being an awesome new member to your family!

PLEASE e-mail (do not call) for more information and to set up an appointment to adopt. Do not e-mail us with a request to call you, if you have a question please ask in the e-mail.
