Cookie was picked up with another dog by animal control. We think the other dog is her mother. Cookie is a little shy and usually follows the lead of the other dog so she needs to learn to be independent which will come with time and training. She is little camera shy as well and we could only get a few good pictures of her but we will try again and gets some other ones and post them online soon. She is current on her shots, we got her spayed and she is microchipped. She is ready to go to her new home right now.

PLEASE e-mail (do not call) for more information and to set up an appointment to adopt. Do not e-mail us with a request to call you, if you have a question please ask in the e-mail.
