Dodger was surrendered to the pound by her owner for an unknown reason. She gets along great with other dogs of her own size. We don't know how she is with cats or small dogs, we don't have any here to find out with. She will probably be alright with older children but again we don't have any here to find out with but she is very submissive to adults. She is house trained. She is fixed, current on her shots, rabies shots and has been microchipped.

PLEASE e-mail (do not call) for more information and to set up an appointment to adopt. Do not e-mail us with a request to call you, if you have a question please ask in the e-mail.

All dog are adopted on a first come - first served basis.
