

Shoshanna

Location **Arizona**
<https://www.genclassifieds.com/x-628724-z>

Shoshanna was found as a stray covered with ticks. So we don't have any back ground information on her. She is very sweet and like people and while we haven't had her kenneled with other dogs yet because she was just spayed, she is no reactive to the other dogs thru the fence so we suspect she will be fine at least with bigger dogs. She is current on her shots and has been microchipped. She is ready for her new home and new family.

PLEASE e-mail (do not call) for more information and to set up an appointment to adopt. Do not e-mail us with a request to call you, if you have a question please ask in the e-mail.
