Susanna and Roxanna were picked up as strays so we don't know any background information on them. We are not even sure what they are mixes of, your guess is as good as ours, but their ears do remind us of corgi ears so that is why we have them as part corgi. They are going to be fixed soon and will be available by July 12th if all goes well. Until then we are doing introductions and taking deposits on their adoption. They are current with their shots and have been microchipped. They will make great members to their new forever families!

PLEASE e-mail (do not call) for more information and to set up an appointment to adopt. Do not e-mail us with a request to call you, if you have a question please ask in the e-mail.

All dog are adopted on a first come - first served basis.

Central Arizona Animal Rescue is a not-for-profit 501(c)3 corporation.

We are located in San Tan Valley, AZ.

If you have other dogs already, you must bring them for introduction prior to adoption.
