

Found older male Bulldog whitebrindle (Avondale, AZ)

Location **Arizona**
<https://www.genclassifieds.com/x-628727-z>

Found older male Bulldog that's half white half brindle color. No collar on him, and he walks slowly so he couldn't have wandered too far from where he came from. Area found is Indian School and El Mirage road in Avondale. He's very friendly to people, kids, and doesn't mind our other 3 dogs here. If this sounds like your dog, please contact me.
