Ladies, if you're comfortable in your life as an exhibitionist why pay for rides? I'm not offering or seeking sex. Just a place/way for you to express yourself while getting a FREE/Safe ride to your destination. I'm not interested in offering rides to anyone that is uncomfortable with sharing. Please include your current location, destination, and the time that you need to be picked up in your 1st reply. Also include a phone number for confirmation..
