I'm selling a brand new gorgeous dress for only \$35. It is worth about \$400. I bought it at an auction and I thought I could change in the size, but it wasn't allowed, so now I need to sell. It is brand new and gorgeous, and perfect for prom or an evening event. The pictures don't do it justice - it so pretty.

The size/make is as follows:

White size 5/6 - Morgan and Co
