Hello!
Stay at home dad looking to pick up some side jobs, handy work or odd jobs...

If you have unfinished projects or a project you have materials for why not get them finished up!

Services I can provide are:

Small sheetrock repair
Painting walls and or ceiling
Vinyl flooring planks
Pergo flooring or floating style wood flooring planks.
Trim/quarter round
Cabinet knobs
Light fixtures
Ceiling fans
Interior door knobs
Heck even a light bulb!

And pretty much any other small repair. Maybe a broken light switch or broken outlet? Can also install cable coax and data/phone lines as well.

Also will do grass mowing/trimming. Put down mulch plant flowers/shrubs.

Business owner? Maybe we can trade services.

Thanks for looking

Kevin
