Family friendly house dog. Sire is 18 months old. He is house broken, loves our kids, and us. He is a great sweet dog and the only reason we are rehoming him is because we are moving to a place that does not accept dogs. Included in the \$250 is the dog, a stainless steal and black raised feeding set, a chain, leash, half a bag of dog food, dog protein, and an xl crate. The \$250 rehoming fee is firm. Call

and ask for.
