It is with heavy heart that I need to rehome my precious pug, Bijou. She is 4 yrs old and spayed. Wonderful, sweet loving family dog, but due to circumstances out of my control, I need to find her a forever home. I would love updates on occasion from her adoptive family if possible. Please do not send me any hateful e-mails as this is already a very difficult situation without judgements from strangers. Thank you. \$200 rehoming
