

# Excel Expert here to Assist you

Location

Colorado

<https://www.genclassifieds.com/x-628868-z>

I have many years of professional experience as a Data and Business Intelligence Analyst across many different industries interested in helping you with your excel needs for personal or professional use. If excel has the functionality, I am sure I can help you accomplish your needs.

If interested, send me an email or text me at and we can go from there.

Also, if helpful I can show previous work to help you generate ideas.
