

DECK STAINING amp REPAIR (santa clara)

Location California
<https://www.genclassifieds.com/x-628891-z>

Let me come out and take a look at your old weathered deck. I can give you a quote to repair, stain and make it look GREAT again. My crew will come in and pressure wash, replace or repair any old tattered, insect eaten boards, and stain your deck for you. Decks should be stained regularly in order to keep the wood protected from the weather. Protect your investment, call me and get a free.
