

Health Mask Sales (hollister)

Location **California**
<https://www.genclassifieds.com/x-628974-z>

Looking for someone who can get our designer health masks into pharmacies, retail stores, doctor offices etc. in the USA and Internationally.

Here is a description of what you are selling.

Now you can have a designer look combined with a bright, vivid splash of color, Along with the benefits of a face mask! This mask is made for making a bold fashion statement while benefitting from the hygiene qualities of wearing a mask. These will provide a POP and accessorize any outfit, not only having you stand out but protecting yourself against germs. Designed to be a one-use only, these designer masks not only scream unique fashion they also are effective in keeping out airborne pollen, radioactive dust, heavy metals, viruses and pollutants.

These masks are a one size fits all. Each set comes in a two pack, with each mask displaying a different design and color. These masks will ensure your protection arming you against germs, pollution and pollen, while making you the envy of the fashion world around you.
