I'm a single dad with two small children, unable to work full-time. I'm looking to do a job that enables me to have my children present if possible, So this would mean

Transportation, Grocery Shopping, DRS Appointments, Child Care, Baby Sitting, Feeding, Snacks, Play dates, Etc!

I'm really trying to make ends meet while caring for my two children age 2 and 7. I'm patient, kind and have many professional references from speech therapist to occupational therapist and have experience with special needs children and a safe driving record as well as clean criminal background.

if you'd like to speak with me please do email me with some contact information and if it's not too late I will call you back!

Thank you!

PS

once we talk I'll provide you a full background, Facebook access, references, whatever would make you feel more comfortable, I'm a great dad and always spot on with safety and well-being of anyone in my care.

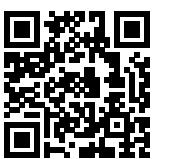

you can meet my family, whatever would make you feel safer!!
