live about 15 minutes from LAX airport and right now its under construction, so there's a lot of traffic coming and going. If you need a ride after getting out of the terminal, I am much less than a taxi.I am a friendly, Italian male who enjoys meeting girls from Asia. I have lived in Japan and traveled around Asia. I have a truck which has room for one person, but you can put many suitcases or boxes in the back.

Why not call someone friendly, if you need a ride and you might make a new friend too.
