I'm a father of two children, aged 2 and 7.

Below are area's I'm experienced in;

Special needs - ADHD - Autism
Children aged 1 month to 13 years old.

Reliable, honest and trust worthy.

Vehicle transportation, house sitting, parks and playdates. Indoor playgrounds, generally my days are very active.

I know what it's like to want your child(s) to be well taken care of.

I will provide food if needed, this includes healthy snacks, water diluted with juice.

Video feeds, text, phone calls, anytime while children are in my care.

I have two small children who will also be with me during sitting jobs, this makes for fun playdates.

If interested or want to talk, please hit the contact button above for more information.
