I will be driving from the Denver Area to the Sacramento/ San Jose / SF Bay Area at the end of THIS WEEK ... would like to leave approx. August 7th-9th & returning approx. August 19th -22nd. For the right person or situation, I might consider an earlier or later departure/ return.

It would be great to have some good company for the 18-20 hour drive - bonus if you can offer interesting conversation, have a sense of humor and enjoy listening to music. That being ideal, it's not required.

I intend on doing all the driving, so I'm just looking to share the gas expense with at least 1 and up to 3 other people if possible. I've done this trip to Cali multiple times, so I expect gas to run approx. \$250 each direction.

About Me: professional male, late 40's, sense of humor, luxury car (2013 Audi A6 Quattro) - wanting to get home to family. Times a tickin ... Call or.
