

# FOUND Old and sore sick Corgi mix (Odessa and GVR BLVD)

Location

Colorado

We found an older Corgi mix running in the middle of Green Valley Ranch Blvd. He has bad sight, sore hips and we've already had to pick some cactus out of his face. He's very old... Has lumps on his body and may need meds.

You must be able to describe the handkerchief he is wearing in order to claim him.

PLEASE CALL ME if you have any information about this dog or who it belongs to.
