

in search for drummer (south denver)

Location **Colorado**
<https://www.genclassifieds.com/x-629066-z>

In search of a drummer with some indie rock taste. We are playing gigs as much as possible, but we are also writing and recording as much as possible. Looking for a drummer that would be interested in being part of what we have going on. I have attached a link to one of our songs to give a feel of what we are going for musically.
