1973 Harris 28 ft pontoon boat one owner. interior is ok. wood floor ok. might want to replace carpet. fold down hard top is in ok condition. I have all the canvas sides to be fully enclosed. wet bar. Its on a triple axle trailer bearings and seals all new. all axles have good brakes but only one is hooked up. I also have a older Silverline ski boat with running motor and good trailer. Both boats have separate Chrysler controls so motor can be swapped back and forth. One Chrysler 70hp runs great. Also a 50hp Johnson no controls. Selling it for my Grandfather. Selling all together only. Asking \$4000 cash.
