I have a 20" Novara Corsa mountain bike for sale. It is a gender neutral. It has only been used a few times and is in very good condition and super clean. It has been sitting for a while and so the tires are flat and it needs new tubes. Other than a scratch (shown in pictures) on the frame of the bike, the bike looks new. The color is a rich deep cherry black. It has a kick stand. I also have the same bike in a 18" if you are interested. The link for that bike is below. Cash only Please.
