I have a 2 month old Collie Mix puppy, he's a sweetheart and loves to play. He's shy at first but warms up to people very easily. He's black and white, and already listens. He is potty trained (has some small accidents when he gets very excited though) he is loving and very loyal and knows some small commands (such as sit, and been working on stay). Asking a small rehoming fee of \$30, he does come with 4 large cans of pedigree soft puppy chow. Need him gone ASAP. Serious inquiries only, asking that the people stay in contact with me so I can see him grow up. Text for pictures of.
