

Lost Cat

Location **Arkansas**
<https://www.genclassifieds.com/x-629179-z>

I lost my cat Piper on July 15th on Willoughby Road near the old Thunder Valley Racetrack. She has medium length tortoiseshell-colored hair, a stubby, broken tail, and a black stripe on her nose. She was last seen wearing a red collar with a bell on it. She is microchipped and spayed. Please help me find her. I'm worried sick about.
