This beautiful yellow tabby is available to a good home. Nala is 10 years old, and has a lot of love to give. We are moving and cannot take her with us. She would prefer to be in a home with a small dog, or another lazy cat like her. Nala is a loving kitty who is friendly and will greet you and your guests at the door. She loves cuddling and wants to be near you all the time. She would love to lay on your lap, or at your side on the couch, and will snuggle near you when you sleep. She would make a great companion!

Nala is an indoor cat, and has not spent much time outdoors. She was adopted from the Fay Shelter as a kitten.

Please email if you are interested. I can send a long her litter box, and some food. She is up to date on shots, and flea/heartworm medication. We have two weeks to find her a new home! \$20 rehoming fee.
