I am an experienced commercial/residential painter with 15 years experience. If you are in need of interior work, I offer very competitive pricing and guarantee high quality work. Whether you are looking for a few accent walls or a full interior repaint, I encourage you to contact me for a free estimate. I will not seek payment unless and until you are satisfied with my work. I live in Eagle River, but I will provide services in both Anchorage and the Valley.

General accent wall rate: \$150

General single room rate: \$300

Full interior repaint rate: depends on size and amount of repairs needed.
