

Welding and fabrication(Aliminum, Steel) (Valley, Anchorage)

Location **Alaska**
<https://www.genclassifieds.com/x-629206-z>

Will do any repair and fabrication on Steel. ie; heavy equipment, structural. I am mobile and have a shop depending on the job. I can fabricate anything out of steel or Aluminium but Aluminium has to be indoors. No job to big or small but, I do have a Three hour minimum on Call out jobs. Price per hour is \$70.00 not including material. Or a bid price per job if.
