If you meet these qualifications please email me here and tell us about yourself. What you do, what interests you, what annoys you, where you are from, anything really to try to stand out among a huge number of applicants. If you email me with just still available? You are blacklisted. If this ad is up the room is available. If I haven't responded to you it's because I'm either too busy to respond, or maybe we're just not that in to you.
