

Tired of shaving If so, I can help shave. (Centennial)

I'm not looking to do anything sexual. I just wanna shave you. Maybe you've got a boyfriend or husband that you'd like to surprise.

I'll supply the (brand new) razor and the shaving cream, you supply the home to do it in, and I'll do all the hard work. Why struggle with a mirror when you can have someone else do it for you?

If you're interested, please tell me a little about yourself in your first message. At the very least, I want the basics: Age, location, why you want to be shaved, etc. I'm not looking to chat, this is a serious.
