Do you want to get in the best shape of your life? Do you love health & fitness and helping others? I'm looking for a few people who are 100% committed and want to change their lives NOW!

I'm looking for people who want more out of life, more purpose, more meaning. People who are feeling overworked, underpaid and under appreciated. People who want to make a bigger impact!

You must be willing to commit to a workout program and nutrition plan 100% for at least 21 days.

E-mail me if you're willing to commit and want to change your life.
