Selling my 1987 Toyota 4 runner (4 cylinder 2.0).. 257,000k miles with new head gasket 20K miles ago. This is a true beauty.. Hard to sell it but I just don't have the parking spaces in the drive way anymore. Runs great.. New tune up and nice tires!  
New sway kit...

May need a little love down the road but drives great now:)  
Thanks for your interest!
