Putting up my 2007 Eclipse for sale. It's a great car that I purchased in February of 2014 and has never given me any problems. I would just like to get back into a manual car. Car has stock Rockford Fosgate speakers and sub. Overall pretty good condition, but this wasn't a garage/show car. It has imperfections like any other car.

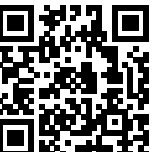

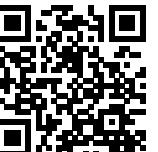

Mods:

18" x 8.75" Gold XXR 535s  
 245/40/18 Nitto 555s(wheel and tire setup have less than 1k miles on them)  
 BC BR adjustable coilovers(less than 3k miles on them)  
 Black DEPO headlights  
 Black DEPO taillights  
 Fog light bezels and rear trunk spoiler painted black(rough up close)  
 35w 6k DDM Tuning HID headlights and foglights  
 Ralliart Eyelids  
 Painted interior pieces gold(a little rough up close)  
 Painted engine bay pieces gold(still in the process of doing more)

\*\*Car used to have a spoiler and rear wiper, that is why the trunk lid has plastic hole plugs. They don't fit and I don't like them.

Car is located at 11111 Minnesota, which I moved to from Ohio. I have been through the car a few times, and I have just finished the car to take a look in available to most people after 4 pm and almost anytime on weekends. Text or email is preferred, but phone calls also work. I'm flexible on price, but don't NEED to be a LOWBALLER. I WILL BE IGNORED.
