

Dodge Intrepid (2700 USD)

Location **Arkansas**
<https://www.genclassifieds.com/x-629435-z>

I got a Dodge Intrepid. Its a v6, automatic transmission, with 140,000 miles. It runs good and drives good. Has good air conditioning and heat. Power windows, cruise control, power mirrors. Everything works good and its pretty clean. No issues. I just put a new battery and battery cables on it. Tinted windows. It does have 2 dents but still looks nice. I have a clean title for.
