2 afghans or throws (10 USD)

Location **California** https://www.genclassifieds.com/x-629460-z

I have 2 afghans for sale: one a fuzzy acrylic taupe with aqua plaid (\$10); the other a rayon velveteen in a blue which catches the light and drapes beautifully (\$20). All are in good shape, approx. 60" X 50". Great to drape over a chair, use on a bench or end of the bed. Not scratchy like wool.

Also a velour/ fleece faux leopard throw 60 X 60 for \$45, and a vintage Pendleton wool for \$65.

If ad is up, these are available. I live at Marina Bay, a safe neighborhood in Richmond right off 580 between El Cerrito and Pt..
