I have a number of vintage towel sets in the aqua - turquoise - lime green - purple mod colors from the 1970's, which have been packed away for years since the colors didn't go with bathroom tile color when I moved. Still serviceable, and cheap compared to new towels these days: \$10 for each set of 2 bath - 2 hand - 2 wash.

Also have some newer bath towels in peach or cream, 2 for \$10.

I live at Marina Bay, a safe neighborhood in Richmond right off 580 between El Cerrito and Pt. Richmond. I also have other household linens from that period for sale separately.
