Hi! I'm a stay at home mom of three- my oldest is 5 and starting kindergarten in a few weeks, my son is almost 3 and goes to preschool MWF, my youngest is 15mos and she is the only one I have home full time.

I have experience as a nanny, babysitter, and worked in a childcare center a few years ago before I had my kids. I have my 90hrs childcare certificate which allows me to teach toddlers and up in a center but I prefer to be home with my kids while they are young so we can save money on childcare and I have lots of time with them.

I would love to welcome another child or two into my home for care starting ASAP. I have experience with children ages newborn and up. We have a fenced in back yard with play equipment once summer is over, we put the pool away and there is lots of space to run! I have space for an additional pack n play and we have tons of infant and toddler toys, as well as an extra high chair.

I had CPR certification that expired recently, and can get it renewed easily upon request. Just need to retake the class on a weekend. I am okay with a child coming to my home or I can travel as long as you have the space for my children to nap as needed and I can get home to get my 5yr old off the bus by 4pm.

I would love to find a family soon, and hopefully not too far from us. We live near Arundel Mills Mall.

Feel free to contact me regarding any questions you have including start dates and my rates of pay. Once we establish a good connection through conversation, I will be willing to give out my phone number so we can schedule a meeting. Looking forward to talking to!
