## Chinchilla to rehome

Location Kansas https://www.genclassifieds.com/x-629492-z

I've developed an allergy to my baby and can no longer keep him. He's a gray chinchilla, a few years old (unsure of exact age, but he is younger) Comes with cage, food bowl, food, dust bowl, wheel. His stuff is used, but sturdy, although he may need a new dust bowl because he broke the lid. Asking 100 for all obo, need to find him a home as soon as possible. He loves people, even kids, and other chinchillas (he used to play with my friends chinchilla all the time) but doesn't like smaller.
