Hello! Please come out for a weekend to The Lake of the Ozarks, MO area (2hrs from KC) and help build a little woods camp!

Bring your camping gear! This is rural woods camping and has no facilities! We'll be working on some building projects, working off grid and just hanging out.

I am looking for people who enjoy roughin it. This is not glamping!! And come ready to dig a couple post holes, drag some limbs into a bonfire pile, help build some compost bins, break down some pallets, get your hands in the dirt and mud! Push a wheel barrow, dig up some rocks, help maintain the gravel road, put up a hoop house. WORK!

But when the sun is going down and it's time to relax you are welcome to join us for some tasty BBQ and fix'ins, and as the night rolls on, saunter up to the bonfire and enjoy some homebrewed wine, beer and s'mores while listening to some live acoustic sessions from our friends well into the wee hours.

Please email if interested, and visit Pepperpotfarms.com for more information and sign up for the Pepperpot Press by Clicking [HERE](#).
