Hi, my name is rachael, I am 24 years old and I have two boys. My sister and I are wanting to start up our daycare again. We've tried a regular 40 hour week job but its not what we love doing. We always come back to childcare because thats our passion. We love children! We will provide fun safe and reliable childcare. Theres no making your child sit in front of the t.v all day! Were very active and love teaching! We also provide nutritious meals! We have lots of toys, learning activities and many other fun things to do All day long!! Pay rate depends on hours, children, and days! But we promise you wont find another childcare provider who will treat your children as one of their own with a very reasonable price. We have kids of our own so we know how it is to pay a sitter. Childcare is in my home, VERY CLEAN, pet and smoke free! Please no scams! Call email or text anytime day or night! I do require half of a weeks payment up front because I've had several people who say they will be back and never show up after attending to their children sry for ne inconvenience it may
