Edith Wilson is a pocket pit puppy born on May 21st. She is ready to go home TODAY and will join your family spayed, microchipped and vaccinated.

She has a sweet and spunky personality, sleeps through the night, keeps her kennel clean and has been raised around other dogs and people of all ages and sizes. She's small for her age and in comparison to her litter mates, so her adult size will probably be anywhere between 25 and 40 pounds.

Edith is located at a foster home and is available for adoption through Unleashed Pet Rescue. All adoptable pets are vaccinated, micro-chipped, and spayed or neutered.

To schedule an opportunity to meet Edith and pursue an adoption, please visit www.unleashedrescue.com and complete an adoption application.
