Hi, hi, hi, hi, hi.

My name is Abby Tilly and I'm super excited to meet you because I am super excited about everything. My foster mom says I am 40 pounds of enthusiasm, and I think she is right, right, right. I am a young, spayed retriever/pointer mix. When we play fetch in the yard, I like to find the ball after my foster mom throws it...but then I let the golden retriever who lives with me do the heavy lifting.

But that's not because I don't have the energy to do it! I do, do, do, do. I am full of happy energy. And full of big brains, too. But my family says that means I need a chance to use my body and my brain a lot every day in order to be a happy girl. Don't worry! That won't require lots of work and energy from you! I am super happy in my foster family's fenced back yard. There's lots to do there! I especially like climbing the swingset ladder and going down the slide. And if there's another dog buddy to keep me busy? Even better, better, better! Because I love dog buddies of all kinds. Yup, yup, yup. I super-dee-do. I know when it's time to settle down, though. And at night, I go in my kennel speedy, speedy quick and keep it nice and tidy while I'm in there during the day, too.

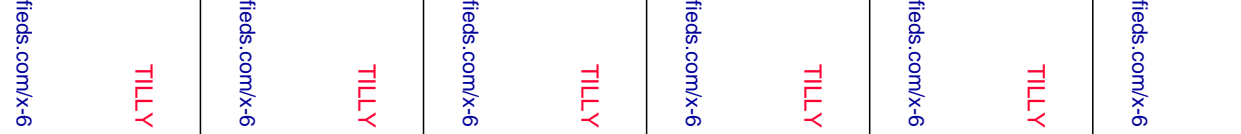

My foster mom says, if I don't find a family, maybe I can support myself by starring in doggie shampoo commercials. Because she's never seen a dog as shiny as me. And that'd be fun, I suppose. But I think a family would suit me better than Hollywood any day of the week. Plus...have you seen the tongue on me, people?? Yup, yup, yup. That is my super smoocher. I use it on all the little kids in my foster family. I use

it on my foster dad and mom, too. And...if you schedule a time to meet me.. you can bet, bet, bet I'll use it

(Abby Tilly is currently in foster care but is ready to go home TODAY when her forever family finds her! She is available through Unleashed Pet Rescue on Broadmoor in Mission. Abby Tilly is microchipped, spayed, vaccinated, healthy and excited to join your family! Call now to schedule an appointment to meet and finalize her adoption.)
