I have a 3 year old great dane very sweet gentle, knows basic commands. Sit, wait, lay and one or two others. Not sure how she is around other animals as we don't have any. Great with little kids and very mild mannered. She is fixed and up to date on shots though i dont have any records. We don't have the time for her with our busy schedule. Asking 200 or make me a reasonable offer. She will come with her bed, treats, and what is left of her food. Text me if you wanna see pictures my phone number is

and I'll send you some picture's. Thanks for.
